U.S. federal court decisions obligate the pre-publication review process to be conducted in a timely manner (e.g., in <i>U.S. v. Marchetti</i> the court required the CIA to respond to the author within 30 days of receiving the submission). Therefore, to meet this deadline, we need your response by close of business on 14 September 2011. If you cannot meet this deadline, please let us know when a response will be forthcoming and the reason for the delay. We will attempt to negotiate an extension with the author. That said, if an extension is not agreed to by the author, the Agency may be forced to meet the original deadline.
